

Experience A day trip to Chesapeake City

The “Hidden Gem” of Maryland’s Eastern Shore

Chesapeake City is a picturesque small town located on the C&D Canal, which connects the Chesapeake and Delaware Bays.

The town is located along Route 213 and is split north to south by the C&D Canal. This historic canal opened in 1829 and has provided important access to the Chesapeake Bay since. Ocean-going ships and tugs pulling barges can be seen passing through the center of town.
